DETAILED ACTION

Election/Restrictions

This application is in condition for allowance except for the presence of claims 27-32 and 41-45 directed to an invention non-elected with traverse in the reply filed on 11/2/04. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

Claims 1-26, 34-40 are allowed.

Response to Arguments

Applicant's arguments filed 3/16/06 have been fully considered but they are not persuasive.

The applicant essentially argues the issue of the election/restriction requirement and the election of the claims with traverse to be examined, which was decided by the applicant. The applicant indicated that examination of all the claims of the invention would not be a burden on the examiner. An explanation in response to the election/restriction of claims with traverse was provided and the restriction was deemed proper. The elected claims 1-26 and 34-40 were examined by the examiner. In view of the current arguments, the non-elected group of claims 27-

33, and 41-45, specifically limit the audio signal processing to a method directed to equalization, gain control and frequency control of the audio signals, which are features or processes not claimed in the elected group of claims.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
